GET (Global Education Technology) Summit and Expo is the largest and most international EdTech Summit Brand in Asia. It is held independently by JMDedu since 2015.

GET Summit & Expo is a dedicated platform for excellent education practitioners to share their insights, experience and solutions. We set to discover inspiring education products and services from around the world and revitalize education through innovation and collaboration.

GET Summit & EXPO is supported by all kinds of education companies, organizations, schools and the government.

Simultaneous Interpreting

We provide simultaneous and consecutive interpreting between Chinese and English, no worries for language barriers at all.

Deep dive into China's market

Extraordinary and diverse summit programs to gain an in-depth understanding of the world's largest education market.

Great networking opportunities with key members of the Chinese EdTech community.

Professional attendees

Showcase your product or insights to over 10,000 professional education attendees and establish meaning connection with potential synergy partners.

— Nina Iles

Head of EdTech of British Educational Suppliers Association

7th Year GET, Connecting Global Education

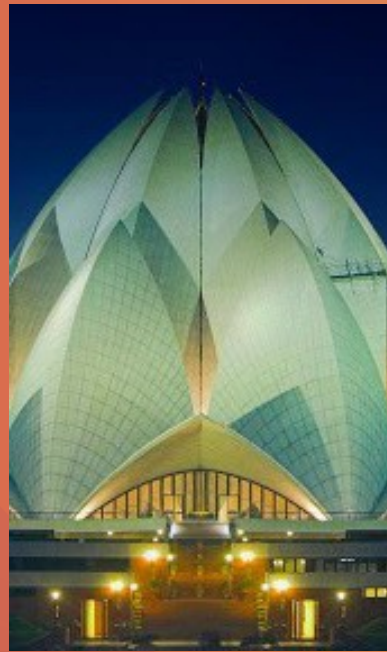

GET has been held in Beijing every fall Since 2015 . With the brand development of GET and the increasing demand for education services globally, GET started to launch in other countries from 2016.
